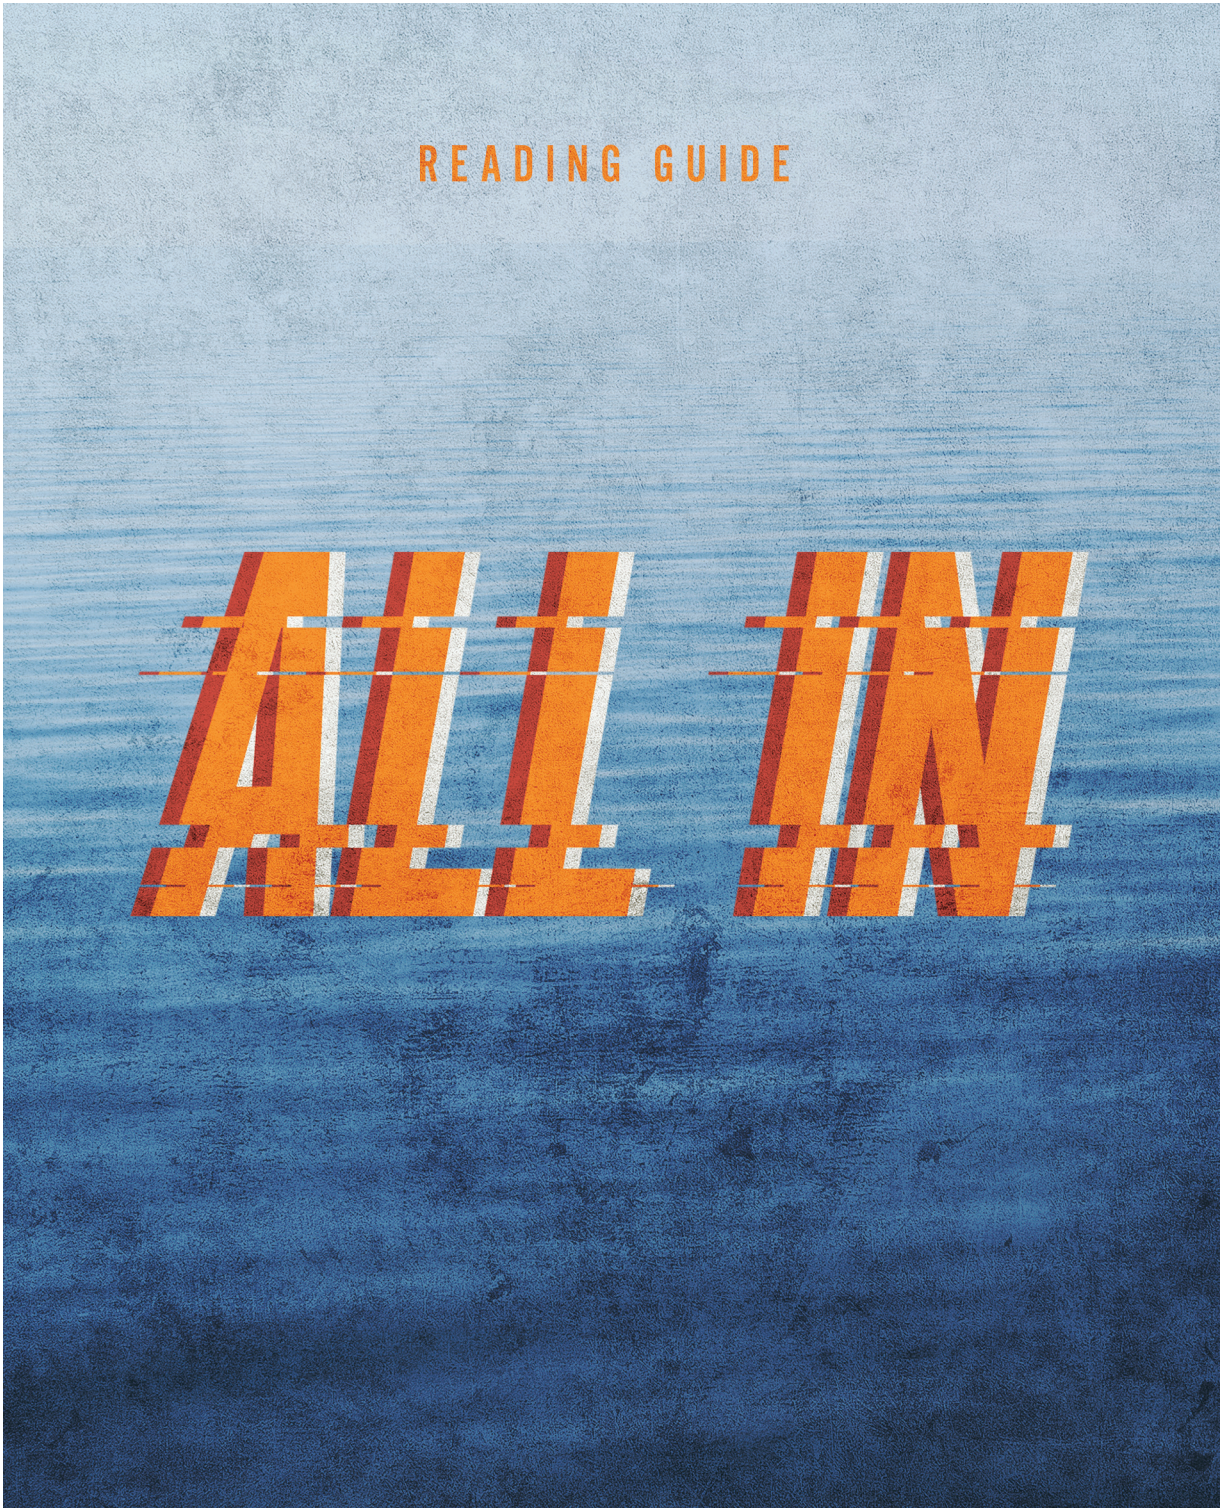
READING GUIDE



ARE YOU NEW TO SOUTHEAST?

WE ARE GLAD YOU'RE HERE!

Together we are becoming a community of people who follow Christ and invest relationally in each other, using what we have to change our world.

With connecting ministries for families, men, women, children, and outreach in the community, we are a church that will start where you are.

BECOMING DAILY DISCIPLES

We believe that lives can be transformed in remarkable ways by engaging with Christ each day. When we talk about becoming "daily disciples," we do so by taking the following steps:

- *Invest at least 5 minutes a day reading the Bible. That is the purpose of this guide.*
- *Talk with God at least 5 minutes a day through prayer.*
- *Talk about what you are learning with someone during the week.*

USING THE READING GUIDE

PREPARATION

Ask God to reveal Himself to you and to help you be fully present as you read his Word.

READ

Read the passage slowly and thoughtfully, aloud or silently. As you read, listen for a word or phrase that might catch your attention.

RESPOND

Talk with God about what you have read. Openly and honestly tell God what is on your heart through prayer.

REFLECT

Ask questions like: What does this reveal about God or myself? How does this connect with my life experiences? How does this impact my relationships with others? How should I think, believe or live differently?
