## ***with Aaron Couch***

Aaron has been in ministry over 25 years and his heart and passion are to see people made whole through the power and love of Jesus. He has led trips to Israel and Turkey (Biblical Asia Minor) and uses the text in its proper context to open up new worlds of freedom for those who experience the Bible in the places where it happened. Aaron is married with 4 kids and has a BA in Christian Ministry from Boise Bible College and an MA in Church Leadership from Hope International University. He is a church planting and leadership coach and sought after speaker nationally and internationally. It is Aaron's hope that walking in the dust of Jesus and his first followers will inspire and set free those who come with him to the land of the Bible.
